ago. This year?

SENATOR SCHIMEK: This amendment is this year's bill.

SENATOR LYNCH: This amendment, but the...

SENATOR SCHIMEK: Yes.

SENATOR LYNCH: ...bill was last year. Is that right or wrong?

SENATOR SCHIMEK: The original bill, LB 654,...

SENATOR LYNCH: That's right.

SENATOR SCHIMEK: ...was last year.

SENATOR LYNCH: So the cleanup now is we took a year to figure out how we're going to clean that up and we just got that, and I'm not sure if any of the things you're talking about now were, in fact, discussed in Government Committee. Were they discussed in detail?

SENATOR SCHIMEK: Well, none...I mean I don't think your particular questions came up as a discussion point in the committee, no.

SENATOR LYNCH: Well, okay. Then did anybody ask...would you give us a list of all the revolving funds we're talking about, how much is in there and how much you want to transfer to wherever you want to transfer it?

SENATOR SCHIMEK: Well, I have given you a list right here on this sheet.

SENATOR LYNCH: Yeah, and I want money. I want the dollars.

SENATOR SCHIMEK: We can get that for you.

SENATOR LYNCH: Yeah, well...

SENATOR SCHIMEK: We will get that for you.
