something different from residential, leave it in. (Laugh) Sometimes at points like this, I think about that book about the bell curve that talked about how genetically inferior I am, so that means that somebody has got to be genetically superior to me, and I've been waiting and searching, in the same way that whoever that guy was walking around with a lantern looking for an honest man. Notice he didn't say an honest woman, because all he had to do was look in his own house and he could have found that. But he went all around the world and couldn't find an honest man. I am not going to assume this responsibility, but I will continue my search. Excuse me a minute. Do I have any more time on my time?

SPEAKER KRISTENSEN: Senator, you do, approximately two minutes.

SENATOR CHAMBERS: Mr. President, members of the Legislature, sometimes it takes us a long time to reach a point but sometimes we reach it, and what I'm going to do, I'm going to offer a resolution at some point to put on the ballot a proposition that I get paid more than the rest of the senators. Senator Suttle, she just turned that spigot off with a nice comment, but I said that long enough to get another motion up there. Mr. President, I withdraw the amendment that I have pending.

SPEAKER KRISTENSEN: It is withdrawn. Mr. Clerk.

CLERK: Mr. President, with respect to the next item on the bill, Senator Chambers would move to indefinitely postpone the bill. Senator Aguilar would have the opportunity to lay the bill over, Mr. President.

SPEAKER KRISTENSEN: Senator Aguilar, would you like to take the bill up or pass over?

SENATOR AGUILAR: Pass over.

SPEAKER KRISTENSEN: The bill is passed over. Members, while we're transitioning into the next bill, this morning there is not on the agenda but, at some time between 11:45 and noon today, I'm going to add one item to the agenda, that will be a motion to suspend the rules to cancel a hearing date that's come up. So sometime between 11:45 and noon, depending on where the
