

TRANSCRIPT PREPARED BY THE CLERK OF THE LEGISLATURE
Transcriber's Office

March 9, 2000

LB 1018

it correctly. There are some situations, perhaps, where, as it was described to me, there may be some retirement plans and so forth that invest in these publicly held dealerships or car care facilities. And it wasn't the intent to prohibit someone from owning stock, particularly a noncontrolling interest in a publicly held corporation like that. So I simply rise to support the amendment. See no problem with it, and would urge the body to adopt it.

SENATOR CUDABACK: Thank you, Senator Bromm. Senator Vrtiska, on the amendment. Senator Vrtiska passes. Senator Beutler, there are no further lights, did you wish to close? Senator Beutler waives closing. The question before the body is, shall AM2544 be adopted to LB 1018? All those in favor vote aye, opposed nay. Have you all voted who care to? Record, please, Mr. Clerk.

ASSISTANT CLERK: 28 ayes, 0 nays on the adoption of Senator Beutler's amendment.

SENATOR CUDABACK: The amendment is adopted to LB 1018. Mr. Clerk, next item to the bill?

ASSISTANT CLERK: Senator Bromm would move to amend, Mr. President, with AM2548. (Legislative Journal page 797.)

SENATOR CUDABACK: Senator Bromm, you're recognized to open on your amendment.

SENATOR BROMM: Thank you, Senator Cudaback. As we...again, when the bill came off of General File and we were rereading the bill, the E & R amendments and so forth, on page 15 of AM7201, line 17, there is a word that we felt could be improved upon. This...it reads like this right now, if a transaction for the sale of a new motor vehicle, which does not take place in the state of Nebraska, provides for delivery in Nebraska, delivery in Nebraska shall only be made by a motor vehicle dealer licensed and bonded in Nebraska. It would appear, after reflection on that, that the more descriptive word would be "through a motor vehicle dealer". We are asking to change the word "by" to "through", in line 17 on page 15. The intent was that the delivery be arranged for and then it be conducted
