problems here; what are you going to do to fix it? And then work with him. We're going to have to take more of a hands-on approach and help work and solve that problem. But certainly today on committee amendments it's hard and we've all gained our frustration over centralized child support and over the computer system, but we've got to do something about it and that's what I hope we would take the people who talked today, try to put them together and keep your interest focused in that area and try to work on it when the child support bill comes up. Thank you.

PRESIDENT MAURSTAD: Thank you, Senator Kristensen. Senator Dwite Pedersen, followed by Senator Beutler, on the committee amendments to LB 1217. Senator Pedersen waives. Senator Beutler, on the committee amendments.

SENATOR BEUTLER: Question.

PRESIDENT MAURSTAD: Won't be necessary, Senator. Senator Wehrbein, you're recognized to close on the committee amendments.

SENATOR WEHRBEIN: Thank you, Mr. President, members of the body. I won't belabor the question. I realize there's some frustrations here. The Fiscal Office will help if there's some things you have questions on between now and then. That's so that you understand more of the issue, if that's an issue. And, with that, I would like to move the committee amendments because I think they will become the bill, with...we're amending the bill, and you'll have an idea as to where we're going to be headed on Select File in terms of some of your individual concerns. Thank you.

PRESIDENT MAURSTAD: Thank you, Senator Wehrbein. The question is the adoption of the committee amendments to LB 1217. Those in favor vote aye, those opposed nay. Mr. Clerk, please record.

CLERK: 38 ayes, 0 nays, Mr. President, on the adoption of
