hard till six o'clock, say, for a few evenings and avoid some of the evening sessions I think that's...we're just as productive if maybe not more productive. And there might be a time or a day on some of these bills, but I'm going to move to adjourn here quickly but I would like you to think about that a little bit, give me some input of where you think we, as a group, can go and what you would like to do. And, with that, I'd move that we adjourn until tomorrow morning at 9:00 a.m.

PRESIDENT MAURSTAD: Question is to adjourn until March 14, 2000, at 9:00 a.m. Those in favor say aye. Those opposed nay. We are adjourned.
