here...was started in...not started but approved in here two years ago when...has been ongoing since that time and this Wilderness Camp is another idea.

SENATOR CHAMBERS: Senator Wehrbein, where is this camp supposed to be if this amendment is adopted?

SENATOR WEHRBEIN: Well, the site has not been determined at this point. There are at least two sites being considered, but I don't think the site has been chosen.

SENATOR CHAMBERS: Of what will it consist? How many buildings will be there?

SENATOR WEHRBEIN: I'll have to look more carefully. It's going to be several smaller buildings that are going to be used for housing, and I think there's kind of an office administration type building.

SENATOR CHAMBERS: How...

SENATOR WEHRBEIN: I'll give you a little more detail when I get studied up here, but...

SENATOR CHAMBERS: Oh, okay. Then I'll wait...

SENATOR WEHRBEIN: ...but it...

SENATOR CHAMBERS: ...to ask more specific questions.

SENATOR WEHRBEIN: ...it will be built by this private company and...and then they will contract with the state of Nebraska to run it...

SENATOR CHAMBERS: But it will be under...

SENATOR WEHRBEIN: ...and vice versa actually. Nebraska will.

SENATOR CHAMBERS: ...it will be a privatized operation?

SENATOR WEHRBEIN: Yes.
