

TRANSCRIPT PREPARED BY THE CLERK OF THE LEGISLATURE  
Transcriber's Office

March 14, 2000 LB 1217

having any real information, not having real factual information presented on the other side, have to launch an effort to take it out of an appropriations bill. It's always more difficult and we all know that. So I'm asking for a level playing field. It would mean that we would be presented with enough evidence of an affirmative nature to justify doing what is proposed in the offering of this Wilderness Camp. We have a fairly good contingent of senators still here. I hope that you will vote to adopt...

PRESIDENT MAURSTAD: One minute.

SENATOR CHAMBERS: ...my amendment. And in order that you understand what it is, this is not one of those amendments designed to gain time to talk, this is the actual amendment that I'm offering, which would strike the appropriations for the Wilderness Camp. That is what the amendment is that you're being asked to vote on at this time. And I hope I can get 24 votes in addition to my own.

PRESIDENT MAURSTAD: Thank you, Senator Chambers. The house is under call. Senator Landis, the house is under call. The house is under call. Senator Landis, the house is under call. The question is the adoption of AM2819 to LB 1217. Those in favor vote aye, those opposed nay. Voting on the Chambers amendment to LB 1217. Mr. Clerk, please record.

CLERK: 25 ayes, 15 nays, Mr. President, on the adoption of Senator Chambers' amendment.

PRESIDENT MAURSTAD: The amendment is agreed to. The call is raised.

CLERK: Mr. President, the next amendment I have to the bill, Senator Chambers, I have FA320.

PRESIDENT MAURSTAD: Senator Chambers, you're recognized to open on your amendment.

SENATOR CHAMBERS: Mr. President, oh, Mr. President, may I ask a question? Are there other amendments besides mine?
