

TRANSCRIPT PREPARED BY THE CLERK OF THE LEGISLATURE
Transcriber's Office

March 28, 2000 LB 1405

what end? Why? Are we the policy setting body of the state? The answer has been, because this is such a huge issue, we need to discuss it on the floor. Well, if they felt that, why wasn't it brought earlier? If they didn't think that we were ever going to pass this, the green copy, why is it here? I have said in my personal opinion, not for everyone, but for some people, I believe it was brought here in order, and I think in the paper today the lobbyists, one of the pro-life lobbyists stated it the same, so that they could have a vote before the election and decide who they were going to endorse or not. So let's be honest with the people of this state. Let's not lead them with false hope thinking that actually on the green copy we were, starting March 24th, bringing it to this floor, going to do something that they so sincerely...

SPEAKER KRISTENSEN: One minute.

SENATOR BOHLKE: ...believed, the ban should occur. We represent, all of us some...all the people and sometimes I have supported the university from the beginning. I continue to support the university. I believe in the research. I also believe that this is not the place, not the forum, and that it is unconstitutional. Those points have already been made and I support those people who have made those points. But in addition to that, I feel bad. I feel bad for the people who have contacted me, who feel so passionate on this issue, and you know when we don't get the green copy done, do you know who they are going to blame? They are only going to blame the people who supported the university. And what I say is the people who brought this to the floor of the Legislature and the people who are saying now that...

SPEAKER KRISTENSEN: Time.

SENATOR BOHLKE: ...we need to find a way out need to share in the blame for leading people down this path with no hope. I'm not very proud of that. Thank you.

SPEAKER KRISTENSEN: Senator Brown.

SENATOR BROWN: Mr. Speaker, members of the Legislature, we've had some questions that have been raised and I wanted to respond
