LB 1234A

ethanol pricing study, to \$55,000, \$50,000 for the Niobrara River Council. It's that simple.

SENATOR CUDABACK: You've heard the opening. Senator Beutler.

SENATOR BEUTLER: Yeah, and just add the further comment. I know \$50,000 is not a huge amount of money anyway, but it's not an increase in spending. We're actually taking money away from the old council that we had already given them and transferring it to the new council. Isn't that...don't I have that right, Senator Schrock?

SENATOR SCHROCK: Yes.

SENATOR BEUTLER: Okay. Thank you.

SENATOR CUDABACK: Senator Schrock, there are no further lights. Do you wish to close?

SENATOR SCHROCK: Yes, Mr. President, one other small item. There's a \$500,000 item here also, but (laugh) but that's for the wastewater treatment plant or bill and that is a revolving fund. It is not General Fund money.

SENATOR CUDABACK: Thank you, Senator Schrock. The question before the body is AM3329 to LB 1234A. All in favor vote aye, opposed nay. Have you all voted who care to? Record, please, Mr. Clerk.

CLERK: 35 ayes, 0 nays, Mr. President, on the adoption of Senator Schrock's amendment.

SENATOR CUDABACK: The amendment is adopted.

CLERK: I have nothing further on the bill, Mr. President.

SENATOR CUDABACK: Senator Smith, for a motion.

SENATOR SMITH: Mr. President, I move the advancement of LB 1234A to E & R for engrossing.

SENATOR CUDABACK: The motion is to advance LB 1234A to E & R
