the State Disbursement Unit. So the plans are now, as I understand it, that the SDU, or the State Disbursement Unit, will be located here in Lancaster County, although there's nothing in this bill that would preclude them from moving it to a rural county. So that was kind of the agreement. This is what we had decided was the best. It's still 30 or 31 jobs that are going to be located in a rural county. And that's the gist of the amendment. If anyone has any questions, I'd be happy to answer them. But again, it's 30 jobs as it relates to the call center that are going to a rural county.

SENATOR CUDABACK: Thank you, Senator Bourne. (Visitors introduced.) We're now open for discussion on the Bourne amendment, AM3345, to LB 972. Senator Brown.

SENATOR BROWN: Mr. President, members, I'd just like to say that I appreciate all the work that's gone in, by Senator Bourne and others, into modifying the amendment so that it will make it more workable and we can move forward with providing good service and helping the kids get their money. Thank you.

SENATOR CUDABACK: Thank you, Senator Brown. Senator Brashear, on the Bourne amendment.

SENATOR BRASHEAR: Mr. President, members of the body, I'd just briefly like to rise in support of the Bourne amendment. I appreciate the senator's hard work. And I think what we've done is we've seen the best of what can result. We're preserving his objectives, and yet we're accommodating the reasonable interests of those who are concerned with implementation. I appreciate the effort. I'll support the amendment. Thank you.

SENATOR CUDABACK: Thank you, Senator Brashear. Senator Baker, you're recognized.

SENATOR BAKER: Thank you, Senator Cudaback, members. I do want to point out to people...and I will support the Bourne amendment, but it does broaden the scope of what's called rural down to another seven or eight counties, it looks like, by removing the half percent of the work force down to a quarter percent. And it would be my intent through...I certainly hope anyway...my hopes would be that it still be located in a very
