

TRANSCRIPT PREPARED BY THE CLERK OF THE LEGISLATURE  
Transcriber's Office

April 10, 2000 LB 659

children who go to church cannot participate in. Now, children, darling, you come in this door. This is the church. Don't go over there, that's the bingo game. That's where your mama and your grandma go, and it's all right for them. Well, I want to be like mommy and grandma. Well, you can't be like...

PRESIDENT MAURSTAD: One minute.

SENATOR CHAMBERS: ...them until you're 21 because that's evil, but it's right next to the church, the same church people who tell me that you cannot use the benefits of fetal research because that from which it comes is evil, so you can't use the benefits of the research, but you can use the benefits of that evil gambling to build a church. Like I said, I thought bingo was the name of a Catholic saint. Every church I've went to had St. Bingo out there, and then I got a little older and I was instructed. But anyway, I'm going to support Senator Smith's amendment and that's the last I'll say on the bill.

PRESIDENT MAURSTAD: Thank you, Senator Chambers. Senator Matzke.

SENATOR MATZKE: Question.

PRESIDENT MAURSTAD: Won't be necessary, sir. No other lights are on. Senator Smith, you're recognized to close.

SENATOR SMITH: Thank you, Mr. President, members. Very briefly, I thank you for your patience and I believe that this is...or this is an example of some dollars that would be wisely spent and greatly needed across all of Nebraska. Thank you very much.

PRESIDENT MAURSTAD: Thank you, Senator Smith. The question is the adoption of the Smith amendment to LB 659. Those in favor vote aye, those opposed nay. Please record.

CLERK: (Record vote read, Legislative Journal page 1695.) 33 ayes, 1 nay, Mr. President, on the adoption of Senator Smith's amendment.

PRESIDENT MAURSTAD: The amendment is agreed to.
