authority for Indians.   And because it was   created by Indian
tribal law and because it didn't have authority by state law, we
needed a special exception.   When we passed LB 105 last year we
inadvertently rewrote the housing law but we left out the Indian

adopt this amendment and then re-advance.

LB 1345.   In the interest of abiding by our rules by asking us

PRESIDENT MAURSTAD: Thank you, Senator Wickersham. Debate on
