accompanies employees on business trips and service calls; and

(b) For a lease or rental that does not require recurring periodic
payments, the payment is sourced the same as a retail sale in accordance with
the provisions of subsections (2) through (6) of this section.

This subsection does not affect the imposition or computation of
sales or use tax on leases or rentals based on a lump-sum or accelerated basis
or on the acquisition of property for lease.

(8) The lease or rental of motor vehicles, trailers, semitrailers,
or aircraft that do not qualify as transportation equipment under subsection
(9) of this section shall be sourced as follows:

not constitute bad faith. This location shall not be altered by intermittent
use at different locations;

(b) For a lease or rental that does not require recurring periodic
payments, the payment is sourced the same as a retail sale in accordance with
the provisions of subsections (2) through (6) of this section.

This subsection does not affect the imposition or computation of

A direct payment permit holder shall follow the principles provided to in subsection (3) of this section in apportioning the tax due on a digital good or a service that will be concurrently available for use in more than one jurisdiction.

(b) The location of all distribution or sales houses or offices or other places of business in this state;
(c) Such other information as the Tax Commissioner may require; and
(d) If the retailer is an individual, his or her social security number.

(2) Every person furnishing public utility service as defined in subsection (2) of section 77-2702.07 of this act shall register with the Tax Commissioner and give:

(a) The address of each office open to the public in which such public utility service business is transacted with consumers;
(b) Such other information as the Tax Commissioner may require.

(3) It shall be unlawful for any person to engage in or transact business as a seller within this state after June 1, 1967, unless a permit or permits shall have been issued to him or her as prescribed in this section. No person desiring to engage in or to conduct business as a seller within this state shall file with the Tax Commissioner an application for a permit for each place of business. There shall be no charge to the retailer for the application for or issuance of a permit except as otherwise provided in this section.

(4) Every application for a permit shall:

(a) Be made upon a form prescribed by the Tax Commissioner;
(b) Set forth the name under which the applicant transacts or intends to transact business and the location of his or her place or places of business;
(c) Set forth such other information as the Tax Commissioner may require; and

(5) After compliance with subsections (1) through (4) of this section by the applicant, the Tax Commissioner shall grant and issue to each applicant a separate permit for each place of business within the state. A permit shall not be assignable and shall be valid only for the person in whose name it is issued and for the transaction of business at the place designated therein. It shall at all times be conspicuously displayed at the place for which issued and shall be valid and effective until revoked by the Tax Commissioner.

(6)(a) Whenever the holder of a permit issued under subsection (5) of this section fails to comply with any provision of the Nebraska Revenue Act of 1967 relating to the retail sales tax or with any rule or regulation of the Tax Commissioner relating to such tax prescribed and adopted under such act, the Tax Commissioner upon hearing, after giving the person twenty days' notice in writing specifying the time and place of hearing and requiring him or her to show cause why his or her permit or permits should not be revoked, may revoke or suspend any one or more of the permits held by the person. The Tax Commissioner shall give to the person written notice of the suspension or revocation of any of his or her permits. The notices may be served personally or by mail in the manner prescribed for service of notice of a deficiency determination.

(b) The Tax Commissioner shall have the power to restore permits which have been revoked but shall not issue a new permit after the revocation of a permit unless he or she is satisfied that the former holder of the permit will comply with the provisions of such act relating to the retail sales tax and the regulations of the Tax Commissioner. A seller whose permit has been
previously suspended or revoked under this subsection shall pay the Tax Commissioner a fee of twenty-five dollars for the renewal or issuance of a permit in the event of a first revocation and fifty dollars for renewal after each successive revocation.

(c) The action of the Tax Commissioner may be appealed by the taxpayer in the same manner as a final deficiency determination.

(7) For the purpose of more efficiently securing the payment, collection, and accounting for taxes, and for the proper administration of the sales tax on sales and use taxes, the Tax Commissioner, if he or she deems it necessary in order to insure payment to or for the state pursuant to the Nebraska Revenue Act of 1967, may require returns and payment of the amount of such taxes for periods other than monthly periods in the case of a particular seller, retailer, or purchaser, as the case may be. The Tax Commissioner shall by rule and regulation require reports and tax payments from sellers, retailers, or purchasers depending on their yearly tax liability.

(8) If any person, firm, corporation, association, or agent thereof presents an exempt sale certificate to the seller for property which is purchased by a taxpayer or for a use other than those enumerated in the Nebraska Revenue Act of 1967 as exempted from the computation of sales and use taxes, the Tax Commissioner may, in addition to other penalties provided by law, impose, assess, and collect from the purchaser or the agent thereof a penalty of one hundred dollars or ten times the tax, whichever amount is larger, for each instance of such presentation and misuse of an exempt sale certificate. Such amount shall be in addition to any tax, interest, or penalty otherwise imposed.

(9) Any report, name, or information which is supplied to the Tax Commissioner regarding a violation specified in this section, including the identity of the informer, shall be subject to the pertinent provisions regarding wrongful disclosure in section 77-2711.

(10) Pursuant to the streamlined sales and use tax agreement, the state shall participate in an online registration system that will allow retailers to register in all the member states. The state hereby agrees to honor and abide by the retailer registration decisions made by the governing board pursuant to the agreement.

Sec. 71. Section 77-2708, Revised Statutes Supplement, 2002, is amended to read:

77-2708. (1)(a) The sales and use taxes imposed by the Nebraska Revenue Act of 1967 shall be due and payable to the Tax Commissioner monthly on or before the twenty-fifth day of the month next succeeding each monthly period unless otherwise provided pursuant to the Nebraska Revenue Act of 1967.

(b)(i) On or before the twenty-fifth day of the month following each monthly period or such other period as the Tax Commissioner may require, a return for such period, along with all taxes due, shall be filed with the Tax Commissioner in such form and content as the Tax Commissioner may prescribe and containing such information as the Tax Commissioner deems necessary for the proper administration of the Nebraska Revenue Act of 1967. The Tax Commissioner, if he or she deems it necessary in order to insure payment to or facilitate the collection by the state of the amount of sales or use taxes due, may require returns and payment of the amount of such taxes for periods other than monthly periods in the case of a particular seller, retailer, or purchaser, as the case may be. The Tax Commissioner shall by rule and regulation require reports and tax payments from sellers, retailers, or purchasers depending on their yearly tax liability. Except as required by the streamlined sales and use tax agreement, annual returns shall be required if such sellers', retailers', or purchasers' yearly tax liability is less than nine hundred dollars, quarterly returns shall be required if their yearly tax liability is nine hundred dollars or more and less than three thousand dollars, and monthly returns shall be required if their yearly tax liability is three thousand dollars or more. The Tax Commissioner shall have the discretion to allow an annual return for seasonal retailers, even when their yearly tax liability exceeds the amounts listed in this subdivision.

The Tax Commissioner may adopt and promulgate rules and regulations to allow annual, semiannual, or quarterly returns for any retailer making monthly remittances or payments of sales and use taxes by electronic funds transfer or for any retailer remitting tax to the state pursuant to the streamlined sales and use tax agreement. Such rules and regulations may establish a method of determining the amount of the payment that will result in substantially all of the tax liability being paid each quarter. At least once each quarter the difference between the amount paid and the amount due shall be reconciled. If the difference is more than ten percent of the amount paid, a penalty of fifty percent of the unpaid amount shall be imposed.

(ii) For purposes of the sales tax, a return shall be filed by every retailer liable for collection from a purchaser and payment to the state of the tax, except that a combined sales tax return may be filed for all licensed locations which are subject to common ownership. For purposes of this
subdivision, common ownership shall mean means the same person or persons own eighty percent or more of each licensed location. For purposes of the use tax, a return shall be filed by every retailer engaged in business in this state and by every person who has purchased property, the storage, use, or other consumption of which is subject to the use tax, but who has not paid the use tax due to a retailer required to collect the tax.

(iii) The Tax Commissioner may require that returns shall be signed by the person required to file the return or by his or her duly authorized agent but need not be verified by oath.

(iv) A taxpayer who keeps his or her regular books and records on a cash basis, an accrual basis, or any generally recognized accounting basis which correctly reflects the operation of the business may file the sales and use tax returns required by the Nebraska Revenue Act of 1967 on the same accounting basis that is used for the regular books and records, except that on credit, conditional, and installment sales, the retailer who keeps his or her books on an accrual basis may report such sales on the cash basis and pay the tax upon the collections made during each month. If a taxpayer transfers, sells, assigns, or otherwise disposes of an account receivable, he or she shall be deemed to have received the full balance of the consideration for the original sale and shall be liable for the remittance of the sales tax on the balance of the total sale price not previously reported, except that such transfer, sale, assignment, or other disposition of an account receivable by a retailer to a subsidiary shall not be deemed to require the retailer to pay the sales tax otherwise due under the accounts receivable held by the subsidiary as of the end of the prior calendar year. If the subsidiary does not obtain a Nebraska sales tax permit, the taxpayer shall obtain a surety bond in favor of the State of Nebraska to insure payment of the tax and any interest and penalty imposed thereon under this section in an amount not less than two times the amount of tax payable on outstanding accounts receivable held by the subsidiary as of the end of the prior calendar year. Failure to obtain either a sales tax permit or a surety bond in accordance with this section shall result in the payment on the next required filing date of all sales taxes not previously remitted. When the retailer has adopted one basis or the other of reporting credit, conditional, or installment sales and paying the tax thereon, he or she will not be permitted to change from that basis without first having notified the Tax Commissioner.

(c) Except as provided in the streamlined sales and use tax agreement, the taxpayer required to file the return shall deliver or mail any required return together with a remittance of the net amount of the tax due to the office of the Tax Commissioner on or before the required filing date. Failure to file the return, filing after the required filing date, or failure to remit the net amount of the tax due, or remitting the net amount of the tax due after the required filing date shall be cause for a penalty, in addition to interest, of ten percent of the amount of tax not paid by the required filing date or twenty-five dollars, whichever is greater, unless the penalty is being collected under subdivision (1)(i) or (1)(j)(i) of section 77-2703 by a county treasurer, a designated county official, or the Department of Motor Vehicles, in which case the penalty shall be five dollars.

(d) For all sales tax collected prior to October 1, 2002, the taxpayer shall deduct and withhold, from the taxes otherwise due from him or her on his or her tax return, two and one-half percent of the first three thousand dollars remitted each month and one-half of one percent of all amounts in excess of three thousand dollars remitted each month to reimburse himself or herself for the cost of collecting the tax. For all sales tax collected on and after October 1, 2002, the taxpayer shall deduct and withhold, from the taxes otherwise due from him or her on his or her tax return, two and one-half percent of the first three thousand dollars remitted each month to reimburse himself or herself for the cost of collecting the tax. Taxpayers filing a combined return as allowed by subdivision (1)(b)(ii) of this subsection shall compute such collection fees on the basis of the receipts and liability of each licensed location.

(2)(a) If the Tax Commissioner determines that any sales or use tax amount, penalty, or interest has been paid more than once, has been erroneously or illegally collected or computed, or has been paid and the purchaser qualifies for a refund under section 77-2708.02, the Tax Commissioner shall set forth that fact in his or her records and the excess amount collected or paid may be credited on any sales, use, or income tax amounts then due and payable from the person under the Nebraska Revenue Act of 1967. Any balance may be refunded to the person by whom it was paid or his or her successors, administrators, or executors. A refund shall not be allowed unless a claim therefor is filed with the Tax Commissioner by the person who made the overpayment or his or her
attorney, assignee, executor, or administrator within three years from the required filing date following the close of the period for which the overpayment was made, within six months after any determination becomes final under section 77-2709, or within six months from the date of overpayment with respect to such determinations, whichever of these three periods expires later, unless the credit relates to a period for which a waiver has been given. Failure to file a claim within the time prescribed in this subsection shall constitute a waiver of any demand against the state on account of overpayment.

(c) Every claim shall be in writing on forms prescribed by the Tax Commissioner and shall state the specific amount and grounds upon which the claim is founded. No refund shall be made in any amount less than two dollars.

(d) The Tax Commissioner shall allow or disallow a claim within one hundred eighty days after it has been filed. If the Tax Commissioner has neither allowed nor disallowed a claim within such one hundred eighty days, the claim shall be deemed to have been allowed.

(e) Within thirty days after disallowing any claim in whole or in part, the Tax Commissioner shall serve notice of his or her action on the claimant in the manner prescribed for service of notice of a deficiency determination.

(f) Within thirty days after the mailing of the notice of the Tax Commissioner's action upon a claim filed pursuant to the Nebraska Revenue Act of 1967, the action of the Tax Commissioner shall be final unless the taxpayer seeks review of the Tax Commissioner's determination as provided in section 77-27,127.

(g) Upon the allowance of a credit or refund of any sum erroneously or illegally assessed or collected, of any penalty collected without authority, or of any sum which was excessive or in any manner wrongfully collected, interest shall be allowed and paid on the amount of such credit or refund at the rate specified in section 45-104.02, as such rate may from time to time be adjusted, from the date such sum was paid or from the date the return was required to be filed, whichever date is later, to the date of the allowance of the refund or, in the case of a credit, to the due date of the amount against which the credit is allowed, but in the case of a voluntary and unrequested payment in excess of actual tax liability or a refund under section 77-2708.01, no interest shall be allowed when such excess is refunded or credited.

(h) No suit or proceeding shall be maintained in any court for the recovery of any amount alleged to have been erroneously or illegally determined or collected unless a claim for refund or credit has been duly filed.

(i) The Tax Commissioner may recover any refund or part thereof which is erroneously made and any credit or part thereof which is erroneously allowed by issuing a deficiency determination within one year from the date of refund or credit or within the period otherwise allowed for issuing a deficiency determination, whichever expires later.

(j)(i) Credit shall be allowed to the retailer, contractor, or repairperson for sales or use taxes paid pursuant to the Nebraska Revenue Act of 1967 on any deduction taken that is attributed to bad debts not including interest. Bad debt has the same meaning as in 26 U.S.C. 166, as such section existed on January 1, 2003. However, the amount calculated pursuant to 26 U.S.C. 166 shall be adequate to exclude: Financing charges or interest; sales or use taxes charged on the purchase price; uncollectible amounts on property which remains in the possession of the seller until the full purchase price is paid; and expenses incurred in attempting to collect any debt and repossessed property.

(ii) Bad debts may be deducted on the return for the period during which the bad debt is written off as uncollectible in the claimant's books and records and is eligible to be deducted for federal income tax purposes. A claimant who is not required to file federal income tax returns may deduct a bad debt on a return filed for the period in which the bad debt is written off as uncollectible in the claimant's books and records and would be eligible for a bad debt deduction for federal income tax purposes if the claimant was required to file a federal income tax return.

(iii) If a deduction is taken for a bad debt and the debt is subsequently collected in whole or in part, the tax on the amount so collected must be paid and reported on the return filed for the period in which the collection is made.

(iv) When the amount of bad debt exceeds the amount of taxable sales for the period during which the bad debt is written off, a refund claim may be filed within the otherwise applicable statute of limitations for refund.
claims. The statute of limitations shall be measured from the due date of the
return on which the bad debt could first be claimed.

(vi) If selling responsibilities have been assumed by a certified
service provider, the service provider may claim, on behalf of the retailer,
any bad debt allowance provided by this section. The certified service
provider shall credit or refund the full amount of any bad debt allowance or
refund received to the retailer.

(vii) For purposes of reporting a payment received on a previously
claimed bad debt, any payments made on a debt or account are applied first
proportionally to the taxable price of the property or service and the sales
tax thereon, and secondly to interest, service charges, and any other charges.

(viii) In situations in which the books and records of the party
claiming the bad debt allowance support an allocation of the bad debts among
the member states in the streamlined sales and use tax agreement, the state
shall permit the allocation. +

Sales represented by that portion of an account determined to be
worthless and actually charged off for federal income tax purposes, if such
accounts are thereafter collected by the retailer, contractor, or
repairperson, a tax shall be paid upon the amount so collected, or

The portion of the purchase price remaining unpaid at the time
of a repossession made under the terms of a conditional sales contract.

Sec. 72. Section 77-2708.01, Reissue Revised Statutes of Nebraska,
is amended to read:

agricultural machinery or equipment purchased on or after January 1, 1992, and
before January 1, 1993, for use in commercial agriculture may apply for a
refund of all of the Nebraska sales or use taxes and all of the local option
sales or use taxes paid on the machinery or equipment.

(b) On or after January 1, 1993, any purchaser of depreciable

agriculture may apply for a refund of all of the Nebraska sales or use taxes
and all of the local option sales or use taxes paid on the repairs or parts.

(2) The purchaser shall file a claim within three years after the
date of purchase with the Tax Commissioner pursuant to section 77-2708. The
information provided on a tax refund claim allowed under this section may be
disclosed to any other tax official of this state.

Sec. 73. Section 77-2711, Revised Statutes Supplement, 2002, is
amended to read:

Sec. 72. Section 77-2711, Revised Statutes Supplement, 2002, is
amended to read:

(1) Any 77-2711. (a) The Tax Commissioner shall enforce sections
22-2902-03 77-2703 to 77-2713 and sections 8 to 47, 49 to 52, and 59 to 69 of
this act and any prescribed rules, and enforce rules and regulations relating to
the administration and enforcement of such sections.

(b) The Tax Commissioner may prescribe the extent to which any
ruling or regulation shall be applied without retroactive effect.

(2) The Tax Commissioner may employ accountants, auditors,
investigators, assistants, and clerks necessary for the efficient
administration of the Nebraska Revenue Act of 1967 and may delegate authority
to his or her representatives to conduct hearings, prescribe regulations, or
perform any other duties imposed by such act.

(3)(a) Every seller, every retailer, and every person storing,
using, or otherwise consuming in this state property purchased from a retailer
shall keep such records, receipts, invoices, and other pertinent papers in
such form as the Tax Commissioner may reasonably require.

(b) Every such seller, retailer, or person shall keep such records
for not less than three years from the making of such records unless the Tax
Commissioner in writing sooner authorized their destruction.

(4) The Tax Commissioner or any person authorized in writing by him
or her may examine the books, papers, records, and equipment of any person
selling property and any person liable for the use tax and may investigate the
character of the business of the person in order to verify the accuracy of any
return made or, if no return is made by the person, to ascertain and determine
the amount required to be paid. In the examination of any person selling
property or of any person liable for the use tax, an inquiry shall be made as
to the accuracy of the reporting of city sales and use taxes for which the
person is liable under the Local Option Revenue Act or sections 13-319, 13-324,
and 13-2813 and the accuracy of the allocation made between the various counties, cities, villages, and municipal counties of the tax due.
The Tax Commissioner may make or cause to be made copies of resale or
exemption certificates and may pay a reasonable amount to the person having
custody of the records for providing such copies.

(5) The taxpayer shall have the right to keep or store his or her
records at a point outside this state and shall make his or her records
available to the Tax Commissioner at all times.

(6) In administration of the use tax, the Tax Commissioner may require the filing of reports by any person or class of persons having in his, her, or their possession or custody information relating to sales of property, the storage, use, or other consumption of which is subject to the tax. The report shall be filed when the Tax Commissioner requires and shall set forth the names and addresses of purchasers of the property, the sales price of the property, the date of sale, and such other information as the Tax Commissioner may require.

(7) It shall be a Class I misdemeanor for the Tax Commissioner or any official or employee of the Tax Commissioner to make known in any manner whatever the business affairs, operations, or information obtained by an investigation of records and activities of any retailer or any other person visited or examined in the discharge of official duty or the amount or source of income, profits, losses, expenditures, or any particular thereof, set forth or disclosed in any return, or to permit any return or copy thereof, or any book containing any abstract or particulars thereof to be seen or examined by any person not connected with the Tax Commissioner. Nothing in this section shall be construed to prohibit (a) the delivery to a taxpayer, his or her duly authorized representative, or his or her successors, receivers, trustees, executors, administrators, assignees, or guarantors, if directly interested, of a certified copy of any return or report in connection with his or her tax, (b) the publication of statistics so classified as to prevent the identification of particular returns and the items thereof, (c) the inspection by the Attorney General, other legal representative of the state, or county attorney of the reports or returns of any taxpayer when either (i) information on the reports or returns is considered by the Attorney General to be relevant to any action or proceeding instituted by the taxpayer or against whom an action or proceeding is being considered or has been commenced by any state agency or the county or (ii) the taxpayer has instituted an action to review the tax based thereon or an action or proceeding against the taxpayer for collection of tax or failure to comply with the Nebraska Revenue Act of 1967 is being considered or has been commenced, (d) the furnishing of any information to the United States Government or to states allowing similar privileges to the Tax Commissioner, (e) the disclosure of information and records to a collection agency contracting with the Tax Commissioner pursuant to sections 77-377.01 to 77-377.04, or (f) the disclosure to another party to a transaction of information and records concerning the transaction between the taxpayer and the other party.

(8) Notwithstanding the provisions of subsection (7) of this section, the Tax Commissioner may permit the Postal Inspector of the United States Postal Service or his or her delegates to inspect the reports or returns of any person filed pursuant to the Nebraska Revenue Act of 1967 when information on the reports or returns is relevant to any action or proceeding instituted by the United States Postal Service against such person for the fraudulent use of the mails to carry and deliver false and fraudulent tax returns to the Tax Commissioner with the intent to defraud the State of Nebraska or to evade the payment of Nebraska state taxes.

(9) Notwithstanding the provisions of subsection (7) of this section, the Tax Commissioner may permit other tax officials of this state to inspect the tax returns, reports, and applications filed under sections 77-2702.03 to 77-2713 and sections 8 to 47, 49 to 52, and 59 to 69 of this act, but such inspection shall be permitted only for purposes of enforcing a tax law and only to the extent and under the conditions prescribed by the rules and regulations of the Tax Commissioner.

(10) Notwithstanding the provisions of subsection (7) of this section, the Tax Commissioner may, upon request, provide the county board of any county which has exercised the authority granted by section 81-1254 with a list of the names and addresses of the hotels located within the county for which lodging sales tax returns have been filed or for which lodging sales taxes have been remitted for the county's County Visitors Promotion Fund under the Nebraska Visitors Development Act.

The information provided by the Tax Commissioner shall indicate only the names and addresses of the hotels located within the requesting county for which lodging sales tax returns have been filed for a specified period and the fact that lodging sales taxes remitted by or on behalf of the hotel have constituted a portion of the total sum remitted by the state to the county for a specified period under the provisions of the Nebraska Visitors Development Act. No additional information shall be revealed.

(11) In all proceedings under the Nebraska Revenue Act of 1967, the Tax Commissioner may act on behalf of the people of the State of Nebraska. The Tax Commissioner in his or her discretion may waive all or part
of any penalties provided by the provisions of such act, but may not waive the minimum interest on delinquent taxes specified in section 45-104.02, as such rate may from time to time be adjusted, except interest on use taxes voluntarily reported by an individual.

(12)(a) The purpose of this subsection is to set forth the state's policy for the protection of the confidentiality rights of all participants in the system operated pursuant to the streamlined sales and use tax agreement and of the privacy interests of consumers who deal with model 1 sellers.

(b) For purposes of this subsection:

(i) Anonymous data means information that does not identify a person;

(ii) Confidential taxpayer information means all information that is protected under a member state's laws, regulations, and privileges; and

(iii) Personally identifiable information means information that identifies a person.

(c) The state agrees that a fundamental precept for model 1 sellers is to preserve the privacy of consumers by protecting their anonymity. With very limited exceptions, a certified service provider shall perform its tax calculation, remittance, and reporting functions without retaining the personally identifiable information of consumers.

(d) The governing board of the member states in the streamlined sales and use tax agreement may certify a certified service provider only if that certified service provider certifies that:

(i) Its system has been designed and tested to ensure that the fundamental precept of anonymity is respected;

(ii) Personally identifiable information is only used and retained to the extent necessary for the administration of model 1 with respect to exempt purchasers;

(iii) It provides consumers clear and conspicuous notice of its information practices, including what information it collects, how it collects the information, how it uses the information, how long, if at all, it retains the information, and whether it discloses the information to member states. Such notice shall be satisfied by a written privacy policy statement accessible by the public on the web site of the certified service provider;

(iv) Its collection, use, and retention of personally identifiable information is limited to that required by the member states to ensure the validity of exemptions from taxation that are claimed by reason of a consumer's status or the intended use of the goods or services purchased; and

(v) It provides adequate technical, physical, and administrative safeguards so as to protect personally identifiable information from unauthorized access and disclosure.

(e) The state shall provide public notification to consumers, including exempt purchasers, of the state's practices relating to the collection, use, and retention of personally identifiable information.

(f) When any personally identifiable information that has been collected and retained is no longer required for the purposes set forth in subdivision (12)(d)(iv) of this section, such information shall no longer be retained by the member states.

(g) When personally identifiable information regarding an individual is retained by or on behalf of the state, it shall provide reasonable access by such individual to his or her own information in the state's possession and a right to correct any inaccurately recorded information.

(h) If anyone other than a member state, or a person authorized by that state's law or the agreement, seeks to discover personally identifiable information, the state from whom the information is sought should make a reasonable and timely effort to notify the individual of such request.

(i) This privacy policy is subject to enforcement by the Attorney General.

(j) All other laws and regulations regarding the collection, use, and maintenance of confidential taxpayer information remain fully applicable and binding. Without limitation, this subsection does not enlarge or limit the state's authority to:

(i) Conduct audits or other reviews as provided under the agreement and state law;
