Members, the question before us is whether or not LB 1 shall advance from General File to Select File. All those in favor please signify by voting aye, and those opposed vote nay. Please record, Mr. Clerk.

CLERK: 28 ayes, 0 nays, Mr. President, on the advancement of LB 1.

SPEAKER BROMM: LB 1 does advance. Next bill, Mr. Clerk.

CLERK: Mr. President, LB 2, introduced by Senator Engel, as Chair of the board. (Read title.) Introduced on January 9, referred directly to General File, Mr. President.

SPEAKER BROMM: Thank you, Mr. Clerk. Chair recognizes Senator Cudaback.

SENATOR CUDABACK: Mr. Speaker, members, LB 2, which is simply Chapter 86, governs telecommunications, and was rewritten in 2002 by LB 1105. Sections 85-125 and 86-127 were two new sections that also were adopted in 2002 by LB 1211. These two sections should be added to amend the provided in Section 86-101 so definitions, definitions in other provisions of law were applicable. That's all it does, definitions to be added, as we all know should have been done in the first place. With that, why, that's all I have.

SPEAKER BROMM: Thank you, Senator Cudaback. Any discussion or anyone wishing to speak with respect to LB 2? Seeing none, Senator Cudaback, do you have any further comments for closing? Senator Cudaback waives closing. Members, the question is whether or not LB 2 shall advance from General File to Select File. All those in favor signify by saying (sic) aye, and those opposed please vote nay. Please record, Mr. Clerk.
