FLOOR DEBATE

January 23, 2003 LB 103

gatekeeper of speed limits on the Interstate, "Deacon" Jones. Have you?

SPEAKER BROMM: Senator Baker.

SENATOR BAKER: Yes, Senator Chambers, I have. Senator Jones is on Transportation Committee, and he voted for this, as well as did the rest of the committee.

SENATOR CHAMBERS: Well, Senator Baker, your having been able to pull this man into your corral more easily than it seems that we can as a whole committee, lets me know this must be a pretty good bill. So I'm going to support it.

SENATOR BAKER: Thank you.

SPEAKER BROMM: Thank you, Senator Chambers. Senator Janssen.

SENATOR JANSSEN: Thank you, Mr. Speaker, members of the body. A few questions of Senator Baker, please, if I could carry on a little dialog with him.

SPEAKER BROMM: Senator Baker, would you yield to a question, please.

SENATOR BAKER: Yes, I would.

SENATOR JANSSEN: Senator Baker, let me...help me with a little understanding of the type of equipment you're talking about here. Is that one of those things that look like a giant grasshopper, with big balloon tires?

SENATOR BAKER: (Laugh) Yes, I think we're referring to the same implement.

SENATOR JANSSEN: Or a spider? I always thought they looked like a spider.

SENATOR BAKER: A spider. Grasshopper.

SENATOR JANSSEN: All right.
