intimidating to have them leaning over into your car and asking
you for a contribution to their local organization. And I just
don't think that that's an appropriate way to raise money.   I
know it's an easy way in some respects, but I think that the
safety concerns ought to be paramount for us.   The second reason
I did not vote to advance the bill is because of the very issue
that Senator Chambers has raised.   I think it's going to ~e very
difficult to say no to any organization, very, very difficult.
And if you can't say no to any organization, you could have a
mess out there on the highways and byways. And I just...I don't
want to go down that road, (laugh) so to speak. And s·, Senator
Chambers, I'm going to support your amendment, because I think
that essentially kills the bill anyway.   And I'm going to
support it, and then I won't probably vote to advance the bill,
just to make sure. Thank you.

SENATOR CUDABACK: Thank you, Senator Schimek.   Any further
discussion on FA1146?   Seeing none, Senator Chambers, did you
wish to close?

SENATOR CHAMBERS: Only to say, Mr. President, members of the
Legislature, that Senator Pedersen, who brought this bill,
stated succinctly, to do anything less than what this amendment
proposes is immoral.   I hope you will adopt the amendment.
Thank you, Mr. President.

SENATOR CUDABACK: Thank you, Senator Chambers.   You've heard
the closing on FA1146. The question is, should that be adopted
to LB 86? All in favor vote aye, opposed nay. We're voting on
the adoption of FA1146 to LB 86. Have you all voted who care
to? We're voting on the adoption of FA1146, offered by Senator
Chambers to LB 86.   Have you all voted who care to? Record
please, Mr. Clerk.

CLERK: 26 ayes,   1 nay, Mr. President, on the adoption of
Senator Chambers' amendment.

SENATOR CUDABACK: The amendment was adopted.

CLERK: Mr. President, Senator Beutler would move to amend with
FA1147. (Legislative Journal page 301.)
