FLOOR DEBATE

January 24, 2003 LB 245

Which aspects of this bill will be funded from the General Fund, if you know off the top of your head?

SENATOR JENSEN: Senator, are you on LB 242 or LB 245?

SENATOR CHAMBERS: LB 245 aren't...oh, I'm back...okay. I went too far back. So then this is the question I would ask you. Are there any provisions relative to fees in this bill?

SENATOR JENSEN: Just veterinary technicians, that's the only thing that's covered under this bill.

SENATOR CHAMBERS: Okay, but I meant there is no general reference to fees?

SENATOR JENSEN: No.

SENATOR CHAMBERS: Who drafted this bill, if you know?

SENATOR JENSEN: I don't know the individual from the Health and Human Services System.

SENATOR CHAMBERS: Did you read the whole bill?

SENATOR JENSEN: I have to admit, I did not read the whole thing. I skimmed through it.

SENATOR CHAMBERS: Did your staff read the whole bill?

SENATOR JENSEN: Yes.

SENATOR CHAMBERS: They did?

SENATOR JENSEN: Yes.

SENATOR CHAMBERS: Then I would invite your attention to page...I want to make sure I'm in the right bill. You bring such thick bills to us, and if they are not thick, they have a lot in them. Would you turn to page 28?

SENATOR JENSEN: Twenty-eight, yes.
