committee amendments? Senator Wehrbein, you're recognized.

SENATOR WEHRBEIN: Mr. (sic) President and members of the body, Senator Schrock, may I ask Senator Schrock a question?

SENATOR SCHIMEK: Senator Schrock.

SENATOR WEHRBEIN: I assume the \$117 thousand General...or \$171 is the first year only?

SENATOR SCHROCK: Yes.

SENATOR WEHRBEIN: And then it goes to a fee based and is that...that's the intent?

SENATOR SCHROCK: That is correct.

SENATOR WEHRBEIN: So do you have any idea of the fee schedule yet, or did I miss it?

SENATOR SCHROCK: Well, let me take a look here. Senator Wehrbein, there will be a provisional \$300 fee. This will not involve General Funds. And then the...then when they...

SENATOR WEHRBEIN: Instead of the General Funds or...?

SENATOR SCHROCK: Yes. Yes.

SENATOR WEHRBEIN: Oh. So that's a change in your amendment.

SENATOR SCHROCK: Yes.

SENATOR WEHRBEIN: Oh.

SENATOR SCHROCK: So you can sit down and not worry.

SENATOR WEHRBEIN: (Laugh) Okay. I saw the \$300 provisional, but I didn't realize that was to replace the General Funds. So if you want to expound on that so everybody understands that, that would be really good I think.
