Transcriber's Office
FLOOR DEBATE

February 21, 2003 LB 274

SENATOR McDONALD: Okay.

SENATOR CHAMBERS: Okay.

SENATOR McDONALD: That's all I was concerned about. Thank you.

SENATOR CUDABACK: Thank you, Senator McDonald. Seeing no further lights on, Senator Chambers, did you wish to close on AM0506?

SENATOR CHAMBERS: Members of the Legislature, I want to point out that there's nothing ominous about this amendment. There is nothing underhanded about it. I talked to the dealers, the breeders, everybody I could. So there's no way that I could have done more to get the word out. Senator Erdman has pointed out what his concerns are. But they don't go to the merit of the amendment. So I hope you will adopt it. And that will give notification to any and everybody of the direction we're going. And with that, Mr. President, I'm going to ask for a call of the house, because our numbers are getting thin.

SENATOR CUDABACK: There's been a request for a call of the house by Senator Chambers. All in favor of the house going under call vote aye, and opposed nay. Record please, Mr. Clerk.

CLERK: 23 ayes, 0 nays, Mr. President, to place the house under call.

SENATOR CUDABACK: The house is under call. All unauthorized personnel please leave the floor. Unexcused senators report to the Chamber. The house is under call. Senator Chambers.

SENATOR CHAMBERS: May I continue? Because I know my time is running.

SENATOR CUDABACK: You may continue.

SENATOR CHAMBERS: Members of the Legislature, the only thing this amendment does is to license pet shops. That's the only thing that this amendment does. I had said that on Select File I may offer an amendment relative to spaying and neutering.
