and what Senator Price is offering is a very reasonable approach. I support it. And her opening covered all of the bases. I don't know what else needs to be said in justification of this bill, but if there are any questions you want to put to me, I'm prepared to answer them. I have signed onto this bill, as have a number of my colleagues. So I am hoping that we will advance this bill and get it enacted into law. Thank you, Mr. President.

SENATOR CUDABACK: Thank you, Senator Chambers. On with discussion of advancement of LB 233 to E & R Initial. Seeing no members wishing to speak, Senator Price, did you wish to close on the advancement?

SENATOR PRICE: I urge your support for this very important piece of legislation. We can't depend on the budget for General Funds with the shortfall that we are in. I wish to make this cash funded. I thank you, Senator Chambers, for your support; encourage your vote to advance this bill.

SENATOR CUDABACK: Thank you, Senator Price. You've heard the closing on advancement. The question before the body is, shall LB 233 advance to E & R Initial?
