Transcriber's Office  
FLOOR DEBATE

March 5, 2003

had to put up with the so-called founding fathers? But from time to time, I'm going to raise these issues because I want them a matter of record and I want the people who observe our proceedings on television and on that computer, if they're able to get it, to realize that there's one person who will deal with these issues and that these kind of issues exist in Nebraska and continue to exist and will not be addressed other than by me. But I intend not to let it alone. I intend not to let it rest. Until justice prevails for everybody in this society, we who make laws should not rest at ease, our head should not lie comfortably on the pillow each night when we turn in. Thank you, Mr. Speaker.

SPEAKER BROMM: Thank you, Senator Chambers. Senator Schimek.

SENATOR SCHIMEK: Yes, thank you, Mr. President and members. Senator Chambers, I just want to thank you for once again keeping your eye on the issue. It's not that none of us agree with you. I somewhat was distracted this morning by other things, but I appreciate your keeping our attention on this matter because it is a matter that ought to be resolved. And you have spoken about it umpteen million times on this floor and I understand your frustration because sometimes it seems as if it doesn't make any difference what we say on this floor. And I guess I would just like to add my voice to yours and say that it is important that we consider diversity when we are considering these appointments. So thank you very much.

SPEAKER BROMM: Thank you, Senator Schimek. I see no further lights. Senator Schrock, you're recognized to close.

SENATOR SCHROCK: Mr. Speaker, members of the Legislature, I would ask for you to vote yes on this confirmation. You may find it interesting that this man detasseled corn on the Raikes farm when he was a young man.

SPEAKER BROMM: Thank you, Senator Schrock. The question before us is the confirmation of Gary Parker to the Game and Parks Commission. All in favor please vote by...all in favor please vote aye, and opposed vote nay. Please record.
