FLOOR DEBATE

March 10, 2003      LB 688

But when you total it all up, it comes to less than the actual amount of attending the university. And these so-called scholarships don't represent an expenditure of money by the university. It represents a value attached to what the athlete is given by being allowed to come to the school. So to try to make that...oh, go ahead. You may have another question.

SENATOR VRTISKA: Well, I had another question I wanted to ask you. And it had to do with football players, or...I suspect if we would eventually extend this, but anyway, talk about football players now. If they were injured in their...in participating in a sport, obviously, their medical cares are taken care of by the university. Right?

SENATOR CHAMBERS: That's for all athletes,...

SENATOR VRTISKA: Okay.

SENATOR CHAMBERS: ...because of a bill that I got enacted into law. It covers all of the athletes.

SENATOR VRTISKA: Okay. Well, the question I have is, when a football player is seriously injured and is taken care of, and later, during his...you know, the next year or so he...some problems develop. Is there any coverage there? Is he out on his own at that point?

SENATOR CHAMBERS: No. This program will cover that injury and the effects of it for an extended period of time. And the statute lays out the period of time. But it couldn't be where the injury was this year, he recovered, got reinjured next year, and was not able to play, so he's no longer covered. No, the insurance continues, and the grant in aid continues, because of a law the Legislature passed.

SENATOR VRTISKA: All right. I...

SENATOR CHAMBERS: Otherwise, that was not the case.

SENATOR VRTISKA: I thought it was important to get that into the record so people understand that, in fact, they're not left
