FLOOR DEBATE

March 25, 2003 LB 608

your question. The retail outlets were here already. They were done, I think, by the market and the availability of customers. The distribution center could have been Colorado, Wyoming, Nebraska, South Dakota, and it was supposedly enticed here by the LB 775 benefits. It could have been placed anywhere. I'm not sure that's responsive but that I think is a fair description of what's happened in North Platte.

SENATOR CHAMBERS: But what I'm saying, this bill would not be necessary to get that kind of an operation because that kind of operation could get LB 775 money?

SENATOR CUDABACK: One minute.

SENATOR LANDIS: Oh, that's right. The distribution center in North Platte qualifies for and receives LB 775 credit. You wouldn't have to reduce the threshold to let them happen.

SENATOR CHAMBERS: So we're still talking about some small operation which is not going to be large enough to qualify for LB 775.

SENATOR LANDIS: I think the...

SENATOR CHAMBERS: That's what this is aimed at?

SENATOR LANDIS: ...the whole thing is I think to reduce the size and scope of what is necessary to qualify for LB 775 on the theory that the rural communities are not going to generate significant economic activity greater than that amount and trip LB 775 under normal circumstances, and that this is an incentive for the size of business that might fit rural Nebraska.

SENATOR CHAMBERS: And you did answer, and that's why I say \$1 million is not a viable amount to start a business which can hire 10 people and make a profit. Thank you, Mr. President.

SENATOR CUDABACK: Thank you, Senator Chambers. Senator Janssen, on FA1208.

SENATOR JANSSEN: Thank you, Senator Cudaback. Members of the
