still be the first responsibility of the state of Nebraska, as I understand it. And I rise to support the Quandahl amendment because I think that we have an unusual circumstance right now with a number of demutualizations, and I actually think that the state of Nebraska can be more effective in finding those Nebraska residents that are owed money. And so we have a better potential. I think that we have proven over the last few years to having been quite effective in finding Nebraska individuals who are owed unclaimed property, and so I would support the Quandahl amendment. Thank you.

SENATOR CUDABACK: Thank you, Senator Brown. Senator Aguilar, did you want to speak? You passed over. Senator Stuhr.

SENATOR STUHR: Thank you, Mr. President. I'd like to yield my time to Senator Chambers.

SENATOR CUDABACK: Senator Chambers, you have almost five minutes.

SENATOR CHAMBERS: Thank you, Mr. President. Thank you, Senator Stuhr. Members of the Legislature, Senator Brown did not answer my questions to my satisfaction. On the gadget, I'm looking at page 3, I believe, of the amendment, and this is language that I read, and I hope Senator Quandahl is familiar with it because it apparently comes from his amendment: "All funds received under Section 1 of this act shall be deposited by the State Treasurer in a separate life insurance corporation demutualization trust fund from which he or she shall make prompt payment of claims regarding such funds allowed pursuant to this act." Senator Quandahl, I'd like to ask you a question.

SENATOR CUDABACK: Senator Quandahl, would you yield?

SENATOR QUANDAHL: Yes.

SENATOR CHAMBERS: Does the language that I read come from the amendment you have before us now?

SENATOR QUANDAHL: Yes, it does.
