FLOOR DEBATE

April 7, 2003      LB 754

appreciate it if you would turn to page 5 of the amendment.

SENATOR KREMER:    Okay.

SENATOR CHAMBERS:    The new language says that the applicant for this conditional permit can request that the planning commission grant this...

SENATOR KREMER:    Are you in line 3?

SENATOR CHAMBERS:    ...make a determination, on page 5 of the amendment.

SENATOR KREMER:    What line are you on?

SENATOR CHAMBERS:    Well, look at line 17.

SENATOR KREMER:    Okay.

SENATOR CHAMBERS:    Request the commission... anyway, in order not to read that whole paragraph, this relates to the applicant requesting that the commission issue its determination in a timely manner.

SENATOR KREMER:    Right.

SENATOR CHAMBERS:    In the existing language above that, starting in line 2,...

SENATOR KREMER:    Yes.

SENATOR CHAMBERS:    ...it says, "In all counties in the state, the county planning commission may grant conditional uses or special exceptions to property owners for the use of their property if the county board of commissioners or supervisors has officially and generally authorized the commission to exercise such powers and has approved the standards," and so forth. What happens if a commission has not been granted that authority by the county board or... commissioners or supervisors? To whom would this request be made by the applicant?
