FLOOR DEBATE

April 8, 2003            LB 303, 762

by that way. I think the only amendments that I've flashed through on my little machine there...Senator Brashear, I think, had one down there that you wouldn't be eligible for any health care or anything if you do wreck yourself. So that's my point on that. That's about where I stand with it. And I think that we can amend these things until we...till Ernie Chambers couldn't even think of any more amendments, and it still wouldn't change the outcome. We end up with the same thing. We're trying to micromanage something that probably won't work. So you either see the guy riding down the street with or without a helmet. I'll vote for having him ride without a helmet. Thank you.

SENATOR CUDABACK: Thank you, Senator Louden. Mr. Clerk, items for the record?

CLERK: Mr. President, I do have a series of amendments to LB 762 by Senator Beutler to be printed. (Legislative Journal pages 1193-1194.)

Mr. President, a priority motion: Senator Hartnett would move to recess until 1:30 p.m.

SENATOR CUDABACK: You've heard the motion to recess until 1:30 p.m. All in favor of that motion say aye. All opposed to the motion say nay. We are recessed until 1:30.
