LB 303

Senator Brown's bill or amendment, why, if there ever was a chance, Senator Smith, of my supporting your proposal, it just went down the drain with that bill...that amendment not passing.

SENATOR CUDABACK: One minute.

SENATOR JANSSEN: Everyone should have the freedom of choice, that is true. But if you want the freedom of choice, then prepare yourself for the future of that choice which you're making by not wearing a helmet. Make sure that you're not going to be a burden on society. SENATOR CUDABACK: Time.

SENATOR JANSSEN: I don't know, you know.

SENATOR CUDABACK: Time.

SENATOR JANSSEN: That could be.

SENATOR CUDABACK: Time.

SENATOR JANSSEN: Thank you, Senator Cudaback.

SENATOR CUDABACK: Thank you, Senator Janssen. Senator Smith, followed by Senator Bourne.

But I think that it does, ultimately, discriminate based on religion. There are some faiths that don't believe in organ donation and I don't think we should make someone's decision to ride with or without
