FLOOR DEBATE

April 11, 2003 LB 305

looked at that, and over the graduation time realized that we would miss some of those individuals, a lot of the high-risk cases that come up. The accidents are related to individuals between the ages of 20 and 30, and it was the thought that if we would graduate this...

SENATOR CUDABACK: Time.

SENATOR ERDMAN: ...we would catch more of those individuals in that process.

SENATOR CUDABACK: Thank you, Senator Bourne. (Visitors introduced.) On with discussion, motion to return by Senator Erdman, LB 305, Senator Connealy, followed by Senators Bromm, Erdman, Schrock, Jensen, and Bourne. Senator Connealy.

SENATOR CONNEALY: Thank you, Mr. President, and members. If I could ask a question of Senator Erdman.

SENATOR CUDABACK: You may. Senator Erdman, for a question from Senator Connealy.

SENATOR ERDMAN: Yes, I would.

SENATOR CONNEALY: Thank you, Senator Erdman. Maybe you could explain to me the noise part. I do have...I don't have very many airboats in my district, but I do have relatives that operate them in...on the Elkhorn River down south in Dodge County and like...maybe I'd ask Senator Schrock that question.

SENATOR ERDMAN: Senator Hudkins would be the person to ask on the bill if you would direct...or Senator Schrock would probably know as well.

SENATOR CONNEALY: Senator Schrock.

SENATOR CUDABACK: Senator Schrock, will you yield to a question from Senator Connealy?

SENATOR SCHROCK: Senator Connealy, these noise violations would not be a violation at the decibel level of 90, I believe is
