SENATOR WEHRBEIN: And what are the other three using?

SENATOR AGUILAR: I can't speak to the other two, only to the one in our area, the four-county.

SENATOR WEHRBEIN: I'm wondering if...what kind of lever they're using. My...I want to support this. In fact, I like the idea. I understand Senator Chambers' concern, but it seems like there ought to be, either some are using it or they're not. Apparently Douglas County doesn't have to have this hammer. I don't know about Lancaster, I don't know about Sarpy, and I don't know about Cheyenne County. And I guess I'd be interested in what other counties are doing for hammers, if I may use that, versus the problem that we're having here. Otherwise, it looks like to me, striking sentence five and six, that Senator Foley wants to do, is a reasonable answer. And I would be interested in more information on that score.

SENATOR AGUILAR: I will find out for you. But it's my understanding...I think all the other three are set up like the four-county one in our area is set up.

SENATOR WEHRBEIN: Okay. Thank you.

SPEAKER BROMM: Thank you, Senator Wehrbein. Senator Chambers.

SENATOR CHAMBERS: Senator Aguilar, is there a judge in your area named Grindstone? Bloodstone? Livingstone? Livingston? There's a Judge Livingston. Judge Livingston is not shown in this book that contains the committee statement as having come down to testify on this bill. Could we...

SPEAKER BROMM: Senator Aguilar,...

SENATOR CHAMBERS: ...get Senator Aguilar's mike on?

SPEAKER BROMM: ...would you yield?

SENATOR AGUILAR: No, I don't believe he did.

SENATOR CHAMBERS: Isn't it, or is it true that Judge Livingston
