FLOOR DEBATE

April 17, 2003 LB 265

Out-of-state records are usually not available quickly, if at all. How do we promptly access the records? And, (f) has been a resident of the county for at least...

SENATOR CUDABACK: Time.

SENATOR SCHIMEK: ...180 days. Concern (microphone malfunction)...residency.

SENATOR CUDABACK: Thank you, Senator Schimek. On with discussion of the motion to recommit to committee. Senator Mines. Senator Mines, you're recognized.

SENATOR MINES: Thank you, Mr. President. I apologize for being unprepared. I'm going to stand in support of the motion to recommit to committee, although I was just reminded I'm on that committee and I don't know why I'd want to see this again. (Laughter) Senator Tyson has been nothing but straightforward and honest and has provided all the information that we, as a committee, and we, as a body, might need, and at this point it's certainly whether you agree with the concept of carrying loaded guns under your clothing or not. And we have gone on and on and on about this before and it's great fun to look on the Chamber Viewer and see that Senator Chambers, in fact, does have this thing tied up until 2006 and, fortunately, when you're on the same side it's kind of fun. But Senator Tyson is committed to this. Unfortunately, I'm on the other side and I just wanted to stand in opposition to LB 265 once again, support recommitment to the committee, and return the rest of my time to whom...to the Chair. Thank you.

SENATOR CUDABACK: Thank you, Senator Mines. Senator Tyson.

SENATOR TYSON: Thank you, Senator Cudaback. A few things; the letter from Mr. Boucher that Senator Schimek referred to, Senator Schimek hasn't bothered to read the amendment or the bill in what would then be its current form. I answered his eyesight objection as follows. I'll read this to you. Valid objection. AM1362 inserts the following: "present a statement to the office of the county sheriff from a licensed ophthalmologist or optometrist, stating that the applicant has
