FLOOR DEBATE

April 22, 2003 LB 303, 759

get Senator Chambers', but I've been giving him mine all afternoon. But just out of courtesy, maybe you would give me a green vote, Senator Chambers. But with that, we didn't have a long discussion on my idea. I think it...as long as we're looking at the rest of it, we might look at this portion also. With that, I hope that you can see fit to give me at least a few green lights, so I go out of here this evening with a little bit of saving face. Thank you.

SPEAKER BROMM: Thank you, Senator Janssen. You've heard the closing. The question before us then is the adoption of FA1333. All in favor vote aye, and opposed nay. Please record.

CLERK: 11 ayes, 15 nays, Mr. President, on the adoption of the amendment.

SPEAKER BROMM: The amendment is not adopted. Mr. Clerk, do you have items for the record?

CLERK: Mr. President, a series of amendments to be printed to LB 303 by Senator Jensen. (Legislative Journal page 1360.)

I do have a priority motion, Mr. President. Senator Thompson would move to adjourn until Wednesday morning, April 23, at 9:00 a.m.

SPEAKER BROMM: The motion is to adjourn until tomorrow at 9:00 a.m. All in favor please say aye. Opposed nay. Motion carried. We are adjourned until tomorrow at 9:00 a.m.
