hail storm a natural disaster?

SPEAKER BROMM: Senator Connealy, would you yield?

SENATOR CONNEALY: Yes. In the discussion when we adopted the amendment, we did talk about trying to capture earthquakes and other natural disasters. A hail storm that damages electrical system would be under that.

SENATOR BEUTLER: A hail storm that damaged an electrical system? Okay. The electrical system being in any building or structure?

SENATOR CONNEALY: Yes. Structure would...

SENATOR BEUTLER: This is not limited to utilities. This would be any natural disaster to any structure of any kind?

SENATOR CONNEALY: Yes.

SENATOR BEUTLER: Okay. Thank you. Thank you, Senator. Thank you, Mr. Speaker.

SPEAKER BROMM: Thank you, Senator Beutler. Senator Chambers.

SENATOR CHAMBERS: Thank you. Mr. Speaker, I have to have...ask Senator Connealy a question or two, to help me locate where we are. Senator "Connealy"...Senator Connealy, excuse me. You are amending AM1447? And...

SENATOR CONNEALY: Yes.

SENATOR CHAMBERS: So what you've given me is what I should look at?

SENATOR CONNEALY: Yes.

SENATOR CHAMBERS: And I will go to line 14, and I strike "earthquake."

SENATOR CONNEALY: Yes.
