same time, but your pistol gets snagged in your belt and you discharge it and shoot yourself in the leg, if you're lucky. The other person, because you fired, now feels threatened and is more successful in clearing the purse, or wherever he or she has it hidden, and puts one...

SENATOR CUDABACK: Time.

SENATOR CHAMBERS: ...right through your head. Not yours, Mr. President. Thank you.

SENATOR CUDABACK: Thank you, Senator Chambers. (Visitors introduced.) On with discussion of the motion to recommit LB 265 to committee, Senator Price, followed by Senator Preister and Connealy. Senator Price.

SENATOR PRICE: Mr. Speaker and members of the body, I would like to yield my time to Senator Chambers.

SENATOR CUDABACK: Senator Chambers, you have almost five minutes.

SENATOR CHAMBERS: Thank you, Senator Price. Thank you, Mr. President. Members of the Legislature, earlier I was looking at the committee amendment, which has become the bill, and reading off some of the places where a person cannot carry a concealed weapon legally. But the question is, if a person does carry a concealed weapon illegally, what is the offense that is committed? I don't see Senator Brashear, and I won't ask Senator Tyson because he won't know the answer, so I will just speculate. What is the offense, if there is one, for carrying one of these concealed weapons where under the law a person is not authorized to carry it? It's probably in here, but I'm not sure. Oh, I see Senator Brashear. I would like to ask Senator Brashear a question, if he would respond, Mr. President.

SENATOR CUDABACK: Senator Brashear, are you available for a question from Senator Chambers?

SENATOR BRASHEAR: Yes, Mr. President.
