

TRANSCRIPT PREPARED BY THE CLERK OF THE LEGISLATURE
Transcriber's Office
FLOOR DEBATE

April 30, 2003 LB 407

Senator Chambers has a bracket, which I'll let him explain. But we are...we voted yesterday that...for the committee amendment and we will now be debating the main...the bill that has...the committee amendment that has become the bill, and there will be specific areas of interest in this that Senator Chambers has, and I think that's about all I can say at this point. Thank you.

PRESIDENT HEINEMAN: Thank you, Senator Wehrbein. The Chair would recognize Senator Chambers, to update us on his amendment.

SENATOR CHAMBERS: Mr. President, members of the Legislature, I have a bracket motion up there which I am withdrawing at this point.

PRESIDENT HEINEMAN: Bracket motion is withdrawn. Thank you, Senator Chambers. Next item, Mr. Clerk.

CLERK: Mr. President, Senator Chambers would move to amend with AM1606. (Legislative Journal page 1533.)

PRESIDENT HEINEMAN: Chair would recognize Senator Chambers, to open on his amendment.

SENATOR CHAMBERS: Mr. President, members of the Legislature, this amendment is on your gadget and I will explain what it does because, as it appears, you may not get the full impact of what I'm trying to do. The first item would deal with the Commission on the Status of Women, and that would be the one starting in line 6 where we deal with the green copy. The way this amendment is drafted is based on the adoption by the Legislature yesterday of the committee amendment, which struck all provisions from the green copy and replaced it. Included in the language stricken was a provision that would have funded the Women's Commission. So when you see, on line 6, the words, quote, on page 1, line 1, after "sections" insert "except Section 148." That language would amend the committee amendment so that Section 148 would no longer be stricken from the green copy. That would have the effect of reinstating the Women's Commission. When we go to amendment or portion number 2, starting in line 8, that language from lines 8 through line 13
