FLOOR DEBATE

April 30, 2003 LB 622

SENATOR JONES: Well, I think that I heard a number of 39 once that takes. Well, 13 of them would be in my district and that's the reason I was a wondering, because I wouldn't have any that wouldn't qualify for it. So I'm really concerned about this, but I know what the condition the state is in and I know why they're doing it. Anyway, there's so many dollars, and I understand the Appropriations has already got it in there...theirs too. I need to ask Senator Wehrbein a question too.

SENATOR CUDABACK: Senator Wehrbein, would you yield?

SENATOR WEHRBEIN: Yes.

SENATOR JONES: On page 21 in your...

SENATOR CUDABACK: One minute.

SENATOR JONES: ...yellow book,...

SENATOR WEHRBEIN: Yes.

SENATOR JONES: ...Senator Landis mentioned about \$9 million. I add that up that it could amount to a little over \$11 million in the ones that there are reductions on. Now is there a difference in that, or what's the story on that?

SENATOR WEHRBEIN: Which line are you talking? I didn't catch...

SENATOR JONES: I'm on page 21...

SENATOR WEHRBEIN: Yes.

SENATOR JONES: ... and it starts with aids to the city, aids to ESU, aids to counties. There's a whole bunch of them right there in a row...

SENATOR WEHRBEIN: Yes.
