May 19, 2003

LB 439

SPEAKER BROMM: Time.

SENATOR SMITH: ...there's some friction between two agencies or two arms of state government I think that it's going to end up costing us a lot more than anything we can gain from the status quo. Thank you, Mr. Speaker.

SPEAKER BROMM: Thank you, Senator Smith. I see no further lights on the amendment. Senator Beutler, you're recognized to close on the amendment to the amendment.

SENATOR BEUTLER: Senator Bromm,...

SPEAKER BROMM: Oh, I'm sorry, is this Senator Hudkins' amendment? Senator Hudkins, you're recognized to close on the amendment to the amendment. I apologize.

SENATOR HUDKINS: Thank you, Mr. President and members. As I said earlier, this is a technical amendment to Senator Beutler's amendment, so I would please ask your approval of this. And with the number of bodies that are not here, I'm afraid I'm going to ask...have to ask for a call of the house and I would accept call-in votes.

SPEAKER BROMM: You've heard the closing on Senator Hudkins' amendment. Did you ask for a call of the house, Senator Hudkins? All in favor of the house going under call please vote aye, opposed nay. Please record.

CLERK: 18 ayes, 0 nays, Mr. President, to place the house under call.

SPEAKER BROMM: The house is under call. All unexcused members please report to the Chamber and record your presence. Unauthorized personnel please leave the floor. The house is under call. Senator Hudkins, since we've not had a vote, will a board vote be acceptable? Okay. Senator Hudkins, we're still missing three or four senators. May we proceed to vote? The question before the body then is the adoption of the Hudkins amendment to the amendment, AM2008. We'll do a board vote. All in favor of the amendment to the amendment please vote aye, and
