FLOOR DEBATE

May 19, 2003

LB 187, 321, 531

our attention. I serve on the Transportation and Telecommunications Committee and I was wondering, you know, why this thing got brought back up if it was killed in committee. But I just referred back to my notes and this LB 321 was killed in committee but it was put into LB 531. I think this was the process that we did. Could I ask a question of Senator Baker?

SENATOR CUDABACK: Senator Baker, would you respond to a question? Senator Baker? Senator Baker?

SENATOR BAKER: Yes.

SENATOR CUDABACK: Senator Stuthman is asking you a question. Would you respond?

SENATOR BAKER: Yes.

SENATOR STUTHMAN: Senator Baker, in going back to my notes on the hearing at that time, I made a note it was "IPPed" but it was put into LB 531. Do you recall that?

SENATOR BAKER: Yes, I do. Yes.

SENATOR STUTHMAN: So that is the reason that we're debating it right now?

SENATOR BAKER: Well,...

SENATOR STUTHMAN: I mean it was killed in committee only because it was put into another bill?

SENATOR BAKER: That's correct, and I think we got carried away with the kill motion that day and apparently lumped a lot of things together is all, and I take full responsibility for it and won't let it happen again. But, yes, it does take 30 votes when a bill is killed and amended onto another one this way. And I think we did it...must have justified or tried to justify it at the time to clean up the, simply, the bills held in committee.

SENATOR STUTHMAN: I do recall I think that is correct because
