FLOOR DEBATE

January 15, 2004 LB 560

language, you say drafting, it may be in the form of a draft, a bill here, an amendment in this case, but is taken verbatim, practically, right out of the motor vehicle statutes. So you've opened up a bigger question, to my mind. You're thinking this isn't right with motorboats. What about vehicles? And I'm willing to work with you. I assume the DMV is too, but maybe they wish they'd a never brought motorboats in the discussion now if we're going to rewrite the motor vehicle statutes along the way as we address motorboats. But I would ask for adoption of this amendment. I'm willing to work with the senators that are concerned with the language in here and if we advance it, why, we'll begin to work on that before Select File. I would urge the adoption of AM2177. Thank you.

SENATOR CUDABACK: Thank you, Senator Baker. You've heard the closing on AM2177 to LB 560. The question before the body is, shall that amendment be adopted? All in favor vote aye, opposed nay. Question before the body is adoption of AM2177, offered by Senator Baker to LB 560. Have you all voted? Senator Baker, for what purpose do you rise?

SENATOR BAKER: I am afraid we're going to have to ask for a call of the house, get this bill moved, amendment adopted. Could I ask for a call of the house, I guess? I don't think we're going to get there.
