FLOOR DEBATE

January 26, 2004 LB 139

coordination with the UNMC or other laboratory for the laboratory procedures. This removes all doubt as to who is responsible. Judges, sheriffs, and probation/parole officers have expressed that this needs to be clearly understood. And I might say again--and I'm not going to talk at length because we've already covered this--but we are certainly willing to work with Senator Synowiecki on improving this language for Select File.

SENATOR CUDABACK: Thank you, Senator Johnson. You've heard the opening on AM2313 to LB 139. Open for discussion on that motion. There are no lights on, Senator Johnson. You're recognized to close on the AM2313, if you care to.

SENATOR JOHNSON: Just to reiterate then that I think that we are all in general agreement with this, and we will certainly work with the Judiciary Committee and Senator Synowiecki to come up with appropriate language.

SENATOR CUDABACK: Thank you, Senator Johnson. The question before the body is adoption of AM2313 to LB 139. All in favor of the question vote aye, those opposed nay. The motion before the body is adoption of AM2313. Have you all voted who care to? Record please, Mr. Clerk.

CLERK: 34 ayes, 0 nays, Mr. President, on the adoption of Senator Johnson's amendment.

SENATOR CUDABACK: The motion was successful. The amendment has been adopted.

CLERK: I have nothing further on the bill, Mr. President.

SENATOR CUDABACK: Thank you, Mr. Clerk. Discussion of advancement of LB 139 to E & R Initial. Open for discussion. Senator Synowiecki.

SENATOR SYNOWIECKI: Thank you, Senator Cudaback. Senator Johnson, the adoption of that last amendment is a great first step, I think, in terms of getting everyone under the umbrella who is subject to DNA testing to get DNA tested, is a great
