page 2 that...it's present law, that I would like Senator Schrock to explain to me if he could. And it's not anything that has a direct bearing on this bill, because it already is in the law. But since this is an area that I am becoming involved in for the first time, I need something explained. It would begin in line 19. The language says the following: "On July 1, 1994, and each year thereafter, the director shall adjust the project cost and payment limitation of this subsection by an amount," and this is what I'm going to ask a question about, "equal to the average percentage change in the federal Department of Commerce, Bureau of the Census, Composite Construction Cost Index for the prior three years." I'm not going to ask you about the formula; I'm going to ask you, how often is this index published, if you know? Because I don't. It's not every ten years, is it? Or is it?

SENATOR SCHROCK: Senator Chambers,...

SENATOR CUDABACK: Senator Schrock.

SENATOR SCHROCK: ...I don't know.

SENATOR CHAMBERS: Okay. Maybe somebody who hears the question can tell me. Because, although, as I stated, I'm not getting into the substance of the bill now, there are existing provisions of the law that will impact on or be interrelated with new language. If certain adjustments are to be made, and they will be made only at intervals of ten years, that may have something to do with my attitude toward other parts of the bill that could be impacted by it. Late-breaking news: I would like to switch to Senator Schrock, if the Chair will permit that.

SENATOR CUDABACK: Senator Schrock.

SENATOR SCHROCK: Senator Chambers, that report is published annually.

SENATOR CHAMBERS: Thank you. And that takes care of a concern that I had. I was hoping that would be the answer, but I didn't know. I know that Senator Beutler is asking questions on parts of the bill that are not included in the first division. I
