FLOOR DEBATE

March 4, 2004 LR 209

you know. It's just things...times change, times change. Senator Chambers, you're right, you know. Now I drive...I won't carry on with that. But, anyway, it's a place where we all can go. You see all types of people there. Hi, how are you? How are you, James? How are you, Bob? How are you, Don? How it is, they don't care who they are.

SENATOR VRTISKA: One minute.

SENATOR CUDABACK: I say they go there, they dress down. Did you say one minute?

SENATOR VRTISKA: One minute, yes.

SENATOR CUDABACK: What more can I say? Why did I choose this as my priority bill? I think you can probably tell by now. I enjoy state fairs. We can all go and have a good time. Is it the wrong way to fund it? I don't know. Let the people decide that. We don't want to be the only state without someplace like this to go to. I'm afraid they'll probably laugh at us because we are taking one more thing away from the common person. The Lied Center, sure you can go to the Lied Center. You can pay \$100 for a ticket. Got a family of five, five...I'm getting a little carried away here. Sorry about that, getting a little...but you can go there and pay your \$500 for a night's entertainment. They don't...families don't have this. You can go to the State Fair at 8 o'clock in the morning for \$5 and stay there all day long, buy a hamburger. It's wonderful. Try it,...

SENATOR VRTISKA: Time.

SENATOR CUDABACK: ...you might like it. Try it, you might like it. Thank you.

SENATOR VRTISKA: Thank you, Senator Cudaback. Mr. Clerk, General Affairs amendment, I mean General...

CLERK: Mr. President, the General Affairs does have committee amendments pending, AM2346. (Legislative Journal page 501.)
