FLOOR DEBATE

March 8, 2004

LR 209

early days, so this is something that I think needs to be looked at all the way around. If you want to continue running the State Fair and have it because of a historical and nostalgic-type of operation, then I suppose you keep it there and that's just what it should be, is a small, scale down, so you can have a Nebraska State Fair. I don't see, at the place where it's now, that it can ever be improved to be a multifaceted operation like some of the other state fairs that you're discussing and talking about. Most of them have got areas where they have room for expansion. I don't see that there's that much room for expansion in...where the State Fair Park is located now. Is that the reason that Lancaster County moved their fair facilities out to the edge of town? Do they know something that we're not discussing here today, the reason that was moved out of there, to get more out where they would have room for expansion? This is probably valuable property sitting down there. Is it...could it be used for better purposes, for something else besides trying to run a State Fair on the property and sinking a lot of money into it to make the thing go like it is or to improve it to the point where some of the discussion has been? I would...I would like to...

SPEAKER BROMM: One minute.

SENATOR LOUDEN: ...see a whole new line of thinking done for our State Fair. At the present time, Lincoln has most of their resources dedicated towards other interests besides State Fair. Especially that time of year, you have some of your other programs. Your football and that sort of thing is going on. So I don't know if State Fair is a first priority for the city of Lincoln and for the Lincoln Chamber of Commerce. Thank you.

SPEAKER BROMM: Thank you, Senator Louden. (Doctor of the day introduced.) Senator Landis.

SENATOR LANDIS: Question.

SPEAKER BROMM: Senator Landis has called the question. Do I see five hands? I do. Question then before us is whether or not we shall cease debate. And all in favor of ceasing debate please vote aye, and opposed nay. This again is a vote to call
