FLOOR DEBATE

LR 209

floor into a chair as a Secretary...as the Attorney General. And during their campaigns, they mentioned these things. Now Senator Maxwell, political opportunist that he is, he became a "Repelican" just so he could run for a different office, is preparing the way to do the same thing. My name is just exploited. I feel so abused. I imagine I understand how Shakespeare feels while he's rolling in his grave now because of all the things said and alleged about him that are not so.

SPEAKER BROMM: One minute.

SENATOR CHAMBERS: But bringing us back to this that we're doing here today, it is not something that is worthy. It is not something the Legislature ought to do. You are pandering, you are kowtowing, you are behaving, if you support LR 29...209CA, like lackey running dogs who will befoul the constitution, and that is inexcusable. I will ask for a call of the house, Mr. President...Mr. Speaker, and while I have maybe a second left, I will ask for a roll call vote so that when the roll is called up yonder this can be taken and used against those who would try to come and befoul that place as they are the constitution here. Thank you, Mr. Speaker.

SPEAKER BROMM: Thank you, Senator Chambers. Senator Chambers has requested a call of the house. All members in favor of the house going under call please vote aye, and opposed nay. Please record.

CLERK: 25 ayes, 1 nay to place the house under call, Mr. President.

SPEAKER BROMM: The house is under call. Members who are not excused please return to the Chamber and record your presence. Unauthorized personnel are requested to please leave the floor. The house is under call. Senators Brashear, Engel, Mossey, Jones, Raikes, Quandahl, Hartnett. Senator Cunningham. Senator Bourne. Senator Brashear, Senator Mossey. Senator Cunningham. Senator Brashear. All unexcused members are accounted for. Mr. Clerk, please call the roll. Members, we're voting on the Chambers amendment, FA1534. All in favor please vote aye, and opposed nay.
