pertaining to our four-footed friends?

SENATOR CUDABACK: One minute.

SENATOR JENSEN: Not extensively, no, I have not.

SENATOR CHAMBERS: Thank you. Now, Senator Jensen, how far are we going to have to battle before you pull this amendment? How much battling are we going to have to do and how much blood and whose blood is, figuratively speaking, will have to be shed?

SENATOR JENSEN: Would you believe less than a minute?

SENATOR CHAMBERS: I'll accept that. I don't have anything more to say, Mr. President. Thank you.

SENATOR CUDABACK: Thank you, Senator Chambers. Senator Chambers, your light is next. Did you wish...

SENATOR CHAMBERS: Yes, I would like to yield some time to Senator Jensen, the Chairperson of the Health and Human Services Committee.

SENATOR CUDABACK: Senator Jensen.

SENATOR JENSEN: Thank you, Senator Chambers. And, Mr. President, I would like to pull this amendment from Senator Stuhr's LB 906.

SENATOR CUDABACK: It is withdrawn. Mr. Clerk.

CLERK: I have nothing further on the bill, Mr. President.

SENATOR CUDABACK: Thank you, Mr. Clerk. Back to the discussion of the bill, itself, Senator Jensen, your light was on. Did you wish to have it on? He waives the opportunity to speak. Open for discussion on advancement of LB 906. There are no lights on. Senator Mossey, you're recognized for a motion.

SENATOR MOSSEY: Mr. President, I move to advance LB 906 to E & R for engrossing.
