Transcriber's Office
FLOOR DEBATE

March 11, 2004 LR 211

interpretation that it may fit under.

SENATOR CUDABACK: Would you like to respond, Senator Hudkins?

SENATOR HUDKINS: I think this entirely way too broad, and I would ask for a ruling.

SENATOR CUDABACK: I will have to rule that it isn't in a logical order, and it is not germane, Senator Erdman. Senator...are you rising for recognition, Senator Erdman?

SENATOR ERDMAN: Mr. President, based on your ruling, is it necessary for a withdrawal motion? Or should I challenge the Chair? (Laughter)

SENATOR CUDABACK: Senator Erdman, I guess it's your call.

SENATOR ERDMAN: Okay. Well, Mr. President, with all due respect for the process, and after thinking about what Senator Chambers has said, I think it's extremely unfair for me to continue on in this process and taking up the Legislature's time. Granted, this is not germane. It's not within the same color, according to Senator Hudkins and your ruling. You know, Senator Chambers has been extremely cooperative with all my legislative efforts this session. He's not tried to stall anything that I've done. And I want to follow his lead, and would ask that my motion be withdrawn so that we may proceed with the state's business.

SENATOR CUDABACK: Thank you, Senator Erdman. Your motion is withdrawn. Mr. Clerk, LR 211CA.

ASSISTANT CLERK: (Read LR 211CA on Final Reading.)

SENATOR CUDABACK: All provisions of law relative to procedure having been complied with, the question is, shall LR 211CA pass? All in favor vote aye, opposed nay. Remind the body, it does require 30 votes. Have you all voted who care to? Have you all voted who care to? Now have you all voted who care to? Record please, Mr. Clerk.
