

TRANSCRIPT PREPARED BY THE CLERK OF THE LEGISLATURE  
Transcriber's Office  
FLOOR DEBATE

March 11, 2004      LB 1149

does. Thank you, Senator Cudaback.

SENATOR CUDABACK: Thank you, Senator Baker. Mr. Clerk.

ASSISTANT CLERK: Mr. President, I have no committee amendments. I do have an amendment from Senator Baker, that's AM3054. (Legislative Journal page 1036.)

SENATOR CUDABACK: Senator Baker, to open on that amendment.

SENATOR BAKER: Thank you, Senator Cudaback. This amendment strikes Section 2. Anytime a commission, a political subdivision, anybody who comes to me and says we can strike a section of statutes, I said let's do it. The section it strikes is Section 2. And Senator Louden in committee made a good point here, that he preferred to have that out of the statutes and, by golly, we're going to take it out for him. He's not here today to hear this but it's the section of statutes that restricts a person from carrying a big game...a high-powered rifle during a big game season if they do not hold a permit to hunt that species. It strikes that section out of the statutes. Game and Parks says they could administer this through rules and regulations and other statutes, I guess, and they ask that it be stricken. So to oblige Game and Parks, I said fine, we'll strike Section 2. The rest of the amendment just rennumbers the following sections. Thank you.

SENATOR CUDABACK: Thank you, Senator Baker. You've heard the opening on AM3054. Open for discussion. There are no lights on. He waives closing. The question before the body is adoption of AM3054. All in favor vote aye, opposed nay. Amendment before the body is AM3054. Record please, Mr. Clerk.

ASSISTANT CLERK: 25 ayes, 0 nays on the adoption of Senator Baker's amendment.

SENATOR CUDABACK: The amendment has been adopted. Back to discussion on advancement of the bill, itself. No lights on, Senator Baker. He waives closing. The question before the body is advancement of LB 1149 to E & R Initial. All in favor vote aye, opposed nay. The question before the body is advancement
