FLOOR DEBATE

April 1, 2004 LB 1090

going to vote for a .j tax increases. Did I hear you correctly?

SENATOR Dw. PEDERSEN: Yes, sir.

SENATOR CHAMBERS: Will you vote for a tax reduction?

SENATOR Dw. PEDERSEN: Depends what it does, Senator.

SENATOR CHAMBERS: Well, now wait a minute. You didn't make that qualification on the tax increase. No matter what it would have gone for, you wouldn't vote for it. Isn't that your position?

SENATOR Dw. PEDERSEN: That's right.

SENATOR CHAMBERS: If it was to do something to improve things at Tecumseh, you would not believe that that would actually occur, so you would not vote for that tax increase, would you?

SENATOR Dw. PEDERSEN: That's right.

SENATOR CHAMBERS: Now, you like people paying a high property tax. I want you on the record. Is that true?

SENATOR Dw. PEDERSEN: No.

SENATOR CHAMBERS: Well, if an opportunity came to reduce that property tax, why are you going to vote against reducing it and vote to leave it high where the public that you represent does not want it to be?

SENATOR Dw. PEDERSEN: I'll have to know what reducing it, what that will hurt.

SENATOR CHAMBERS: Well, if you're not concerned...

SENATOR SCHIMEK: One minute.

SENATOR CHAMBERS: Okay. Thank you, Senator Dwite Pedersen. Do you see what happens when we're dealing with people who are kind of nervous and trying to figure which way the wind is blowing
