FLOOR DEBATE

April 6, 2004      LB 1231

with population of more than 100,000 persons, Sarpy County, would still require that sufficient money be available from the endowment to cover 125 percent of annual maintenance expenses for all three cemeteries in the system for at least five years. This amendment assures that federal assistance for the Alliance and Grand Island facilities would not be held up, delayed, while funding goes on for the Sarpy County facilities. If Sarpy County's efforts move more swiftly, Alliance and Grand Island would benefit from the effort, and not left behind. A high tide for Sarpy County will raise all ships. So I...simply something I had (inaudible) consultation with Senator Louden and the Veterans director. So I'd ask...answer any question, and ask for the advancement of the amendment.
