FLOOR DEBATE

April 8, 2004 LR 397

automatic resolution list. But we asked for it to be recognized today, because it happens to be April the 8th, which was the birthday of a former legislator by the name of John J. Trompen, who was born on this day in 1854, so is the celebration of his 150th birthday. We were contacted by a great-grandson, asked us to introduce this resolution to recognize his grandfather, who was a successful farmer, businessman, sold farm machinery in the early days, and served in political life, and was in the bicameral Legislature from 1901 to 1903, raised nine children, died in 1906.
