FLOOR DEBATE

April 8, 2004 LB 958

SENATOR FRIEND: Okay. I do think that there are different forms of human life. I mean how could I not?

SENATOR CHAMBERS: You asked me human beings.

SENATOR FRIEND: How could I stand up...how could I stand up on the floor here...

SENATOR CHAMBERS: Wait a minute. See, you can't trick me. You asked, the question you posed to me, do I think there are different forms of human beings. Then you said you believe there are different forms of human life. So don't change...

SENATOR FRIEND: Okay, let me step back.

SENATOR CHAMBERS: Okay.

SENATOR FRIEND: Very good, very good, let me step back.

SENATOR CHAMBERS: I pay attention to you.

SENATOR FRIEND: I believe at different stages of their lives there are different forms of human beings. Now...

SENATOR CHAMBERS: I have no idea what you're talking about. So maybe you could clarify and I would understand.

SENATOR FRIEND: ...let me...let me clarify for you, and I will speak slowly.

SENATOR CHAMBERS: And clearly...

SENATOR FRIEND: Okay.

SENATOR CHAMBERS: ...and logically, if possible.

SENATOR FRIEND: I know people that can't communicate with me. I know them. I know that they have a good majority of their organs, if not all of them, and it's more than one person. There are some in our...I would submit to you there are some in our community that would believe that those people don't provide
